

# EVERYTHING SPRING

## CLOSET & DRAWER SACHET DIY

### WHAT YOU'LL NEED:

6 x 12 in. piece of fabric

Hem tape

Ruler

¼ cup Epsom salt

½ cup white rice

18-20 drops of your choice of Spring blend

### WHAT YOU'LL DO:

Fold your fabric to make a 6×6 in. square. Cut hem tape for two sides. Lay hem tape on the edges of the patterned side of the fabric. Iron each side with tape for about 30 seconds. Allow drying for about 30 seconds. Turn the fabric out so the patterned side is facing outward in a bowl, mix Epsom salt, rice, and essential oil.

Fill sachet with the desired amount of mixture. Close final sachet edge with hem tape and iron for 30 seconds to seal. Place in a dresser drawer for a refreshing, spring-like aroma.
