Plant Therapy Opens New Retail Store in Murray, UT

MURRAY, Utah - Plant Therapy has opened its newest retail location in the Fashion Place Mall in Murray. The location is open Monday through Thursday from 11:00 am to 7:00 pm, Friday & Saturday from 11:00 am to 8:00 pm, and Sunday from 12:00 pm to 6:00 pm.

“We are excited to open this new store in Utah and share our products with new communities,” Retha Nesmith, VP of Customer Experience said. “We found a fantastic store location and we’re looking forward to the new opportunities here. We’re planning to open more locations in the future so we can continue to share our products with people all across the United States, in person and online!”

This new store is located in the Fashion Place Mall, across from Apple and Crate & Barrel. Shoppers will be able to pick up essential oils, CBD, body care, and household products. Started in 2011 in Twin Falls, ID, Plant Therapy prioritizes clean ingredients and natural products that will appeal to shoppers who are looking for more natural solutions in their daily lives. Originally an eCommerce business, this is their sixth retail store. The other stores are spread out across Idaho.

Customers who visit the store this week will have a chance to tour the new location, ask the staff questions, and shop for goodies. There will also be free bath bombs for anyone who stops in to say hi (while supplies last). Plant Therapy is growing quickly and products can now be purchased from six physical retail stores, PlantTherapy.com, and at online retailers like Amazon.com and Walmart.com.

About Plant Therapy

Plant Therapy provides clean ingredients, natural goods, and safety education for aromatherapy products. Family-owned and operated, we were founded in 2011 in Twin Falls, Idaho with the mission of providing trustworthy essential oils and truly exceptional customer service. Since then, we've expanded our product offerings to include body care, organics, CBD, and household items. We've also leveraged our rapid organizational growth to create a philanthropy program called [Planting Kindness](#), where we give back to communities locally and globally.
